O R D E R

On March 2, 1981 Continental Telephone Company of Kentucky (Company) filed its Response and Motion relative to the Commission's Order entered February 20, 1981 in the above case. The Response and Motion state, among other things, that "the complaint remains one seeking EAS with Cunningham and should be processed in accordance with the procedures developed for such cases which would include making West Kentucky Co-op a necessary party to this proceeding" and "for this reason" the Company moves the Commission to reconsider Item No. 2 of the aforementioned Order whereby the Company was directed to provide the approximate cost to provide the service requested by complainants. (in the event facilities are not presently available to extend the calling area)

The Commission, having considered the Response and Motion and being advised, reaffirms its prior ORDERS herein and finds that this case is being considered as a complaint filed pursuant to Section 278.260 of the Kentucky Revised Statutes and that the directive set forth in Item No. 2 of the Commission's Order entered February 20,

1981 should be deferred.

IT IS THEREFORE ORDERED That the Commission's Order entered February 20, 1981 be and it hereby is amended to the extent that the furnishing of the information set forth in Item No. 2 of that Order be and it hereby is deferred subject to further Orders of the Commission.
